

Akili Academy School Uniform Policy

All scholars must come to school in the Akili Academy uniform every day. Uniforms allow us to build community by creating a common image of the Akili scholar. Uniforms also create thresholds for buy-in to our community for parents and scholars as well as limit distractions in the classroom.

If a scholar arrives to school out of uniform, 1. The scholar's parent or guardian will be contacted and 2. A consequence will be administered. Scholars who receive three uniform infractions in a week will be assigned a 30 minute uniform detention to be served on Thursdays. Scholars who switch shoes during the school day will earn an automatic detention. Uniform shirts and sweatshirts can be purchased at the Front Office for \$15.
