

How to Log in to Zearn:

1. Go to Zearn.org:

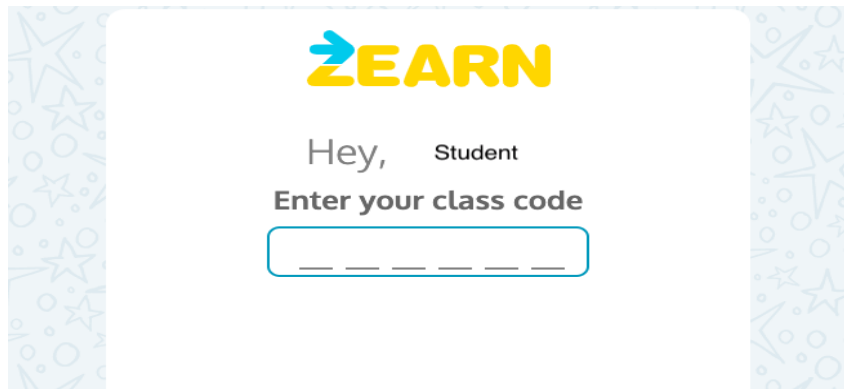

2. Use your student's login document to enter their username and password:

STUDENT NAME's Login Information

| | |
|-------------------------|--------------------------------------|
| Gmail | Website: gmail.com |
| | Email: _____ |
| | Password: akili1234 |
| Google Classroom | Website: classroom.google.com |
| | Username: _____ |
| | Password: _____ |
| Zearn | Website: zearn.org |
| | Username: _____ |
| | Password: _____ |
| Lexia | Website: www.lexiacore5.com |
| | Username: _____ |
| | Password: _____ |

3. Enter your student's class code (from the syllabus sent home).

4. Once you click sign in, it should take you to a page that looks like this (depending on grade level there may be more options here):

Follow the directions for your students to continue their mathematical learning!
